

CT Coalition to Stop Indefinite Detention Meeting

HOW CAN WE ORGANIZE TO RESIST GOVERNMENT AND CORPORATE SURVEILLANCE?

HOW CAN WE CREATE MOVEMENTS THAT CAN WIN SOCIAL CHANGE IN THE FACE OF INCREASING REPRESSION?

HOW CAN WE SHOW SOLIDARITY FOR THE COMMUNITIES MOST AFFECTED BY SURVEILLANCE, INDEFINITE DETENTION, MASS INCARCERATION, AND POLICE BRUTALITY?

MEET. DISCUSS. TAKE ACTION.

AUGUST 18, 3 P.M.
ISLAMIC CENTER OF BERLIN
1781 BERLIN TURNPIKE, BERLIN

The CT Coalition to Stop Indefinite Detention came together last year to organize a response to the codification in law of the government's "right" to detain and imprison without trial or due process. Since then we have responded to other attacks on civil liberties and repression aimed at many communities and movements for social change with educational activity, a large conference, and protests.
